## REMARKS

This Notification of Error is submitted in response to the Notification of Missing Requirements dated April 4, 2001 in which the Examiner requires a new oath or declaration because the Declaration/Power of Attorney filed in the present application is allegedly defective. On the Notification of Defective Oath or Declaration attached to the Requirement, the Examiner specifies that the Declaration submitted with the present application papers does not identify the inventor in that the inventor's names on the Declaration/Power of Attorney and the on the published PCT application are not consistent.

Pursuant to MPEP 201.03, Applicants hereby notify the Examiner that a typographical error has been discovered in the published PCT application: one of the inventor's names was incorrectly set forth as Anthony Hobson. The correct name of this inventor is MICHAEL HOBSON, as set forth in the Declaration/Power of Attorney filed in the present application. Since the inventor's incorrect name was given by way of typographical error and the Declaration/Power of Attorney as executed is correct and accurate, the Declaration/Power of Attorney as filed is accepted and a petition under 37 C.F.R. 1.48 is not required.

Accordingly, Applicants' hereby request acceptance of the Declaration/Power of Attorney as filed and acceptance of this application.

Applicants' believe that this Notification is fully responsive to the outstanding Notification of Missing Requirements. Thus, prosecution on the merits is respectfully requested.

The Examiner is invited to contact Applicants' attorneys at the below-listed phone number with any questions regarding this Notification of Error or otherwise concerning the present application.

If there are any charges due with respect to this Amendment or otherwise, please charge them to Deposit Account No. 06-1130 maintained by Applicants' attorneys.

Respectfully submitted,

MICHAEL HOBSON ET AL.
